Dear Gateshead Community

The Board of Directors and colleagues across Gateshead Health NHS Foundation Trust are very conscious of the tragic situation that is unfolding in the Middle East. We are sure that many of our colleagues and the communities that access our services will be affected.

At Gateshead Health we are an inclusive community, and we value diversity amongst our colleagues, patients and local communities. If our patients are concerned then please be assured that they will be treated with kindness and compassion and will be provided with access to appropriate support.

We do not condone atrocities against humanity and our thoughts are with all those affected by current events.

Kind regards

The Board of Directors
